

Dear Gloria,

Thank you for your amazing support and friendship in 2010. The best of everything to you in the shiny New Year! Please check out my [Heartfeldt blog](#) for reflections on time, and photos from a great Dali exhibit.

I love typing 1/1/11. Something very [hypermedia](#) and leading edge about it.

Want some New Year inspiration? Tired of making resolutions that are all about reshaping yourself to please others rather than fulfilling your passions? I created the [9 Ways Power Tune-Up and Journal](#) just for you.

[Download it here](#). Share it with friends. And I'm excited to share this StyleGoesStrong.com article, "[The Power of No Excuses Style](#)" with you.

Don't Miss Panel Discussions: "Women, Power, Media and Politics"
